## **HISTORY IN PRINT**

An increasing amount of research in accounting history is being published throughout the world in various books and periodicals other than those published by the Academy. The editors of *The Notebook* provide this section to identify accounting history research that may be of interest and use by members of the Academy. We encourage you, the readers of *The Notebook*, to advise us of any such publications in an effort to provide the broadest coverage and recognition of accounting history research.

## THE ACADEMY OF ACCOUNTING HISTORIANS 2001 VANGERMEERSCH MANUSCRIPT AWARD

In 1988, The Academy of Accounting Historians established an annual manuscript award to encourage young academic scholars to pursue historical research. An historical manuscript on any aspect of the field of accounting, broadly defined, is appropriate for submission.

### ELIGIBILITY AND GUIDELINES FOR SUBMISSION

Any accounting faculty member, who holds a full-time appointment and who received his/her masters/doctorate within seven years previous to the date of submission, is eligible to be considered for this award. Coauthored manuscripts will be considered (if at least one coauthor received his/her masters/doctorate within the last seven years). Manuscripts must conform to the style requirements of the *Accounting Historians Journal*. Previously published manuscripts or manuscripts under review are not eligible for consideration.

Six copies of each manuscript should be submitted by **June 15, 2001** to the chair of the Vangermeersch Manuscript Award Committee:

Professor Richard K. Fleischman  
Department of Accountancy  
John Carroll University

University Heights, OH 44118 USA

A cover letter, indicating the author's mailing address, date masters/doctoral degree awarded, and a statement that the manuscript has not been published or is not currently being considered for publication must be included in the submission packet.

### REVIEW PROCESS AND AWARD

The committee will evaluate submitted manuscripts by a blind review and select one recipient each year. The author will receive a \$1,000 (U.S.) stipend and a plaque to recognize his/her outstanding achievement in historical research. In case of coauthored manuscripts, the junior faculty member(s) will receive/share the cash award and all authors will receive a plaque. The winning manuscript will be published in the *Accounting Historians Journal* after an appropriate review. The award will be given annually unless the manuscript award committee determines that no submission has been received that warrants recognition as an outstanding manuscript.
